**Member's Covenant**

Because of the grace given to me, and by the help of the Holy Spirit, I publicly proclaim:

**/ I am Christian**

I confess Jesus Christ as the Lord and Savior of my life. Without Him, I am deserving of eternal punishment because of my sins, but by His grace, I have turned from my old life and repented of my sins. I have asked God for forgiveness, to cleanse me, and to be made new.

I acknowledge that there is only one way to God and His Kingdom, and that is through Jesus Christ alone. My redemption and the forgiveness of my sins is a gift from our Lord Jesus Christ, only by His grace. He accomplished it through His death on the cross for sins.

I have accepted His gift of salvation by His grace, and I am a Christian; saved by His death, and united to Him in His resurrection, so that my eternal life is secure. I have been baptized in obedience to His Word, and have given testimony of my salvation and commitment to Christ.

**/ I will grow in Christ**

I will strive to maintain a strong and close relationship with our Lord through regular Bible reading, prayer, fellowship and worship. I will demonstrate my relationship with Christ through my actions, in my willingness to serve and love others, and my involvement with other members through small group and other means of regular interaction and accountability.

I will strive to manage the resources entrusted to me by God. This includes my gifts and talents, my time, my attitude, my possessions and my finances. I will give financially to the church regularly and sacrificially with a cheerful heart.

**/ I commit to His church at BCPC**

I have read "Our Creed" and substantially adhere to it. Where I may have differences, I will not create division in our church with regard to its teaching, and will strive to preserve peace and unity.

I will strive to support this body spiritually, and keep my brothers and sisters accountable to the Word of God to the best of my abilities. I will do all that I can for the growth and edification of the community.

If the need should arise, I will follow the biblical procedures of church discipline with regard to my brothers and sisters. Likewise, I will also submit myself to church discipline if the need should arise, as the Word of God is the final authority on all issues.

I commit myself to the family at BCPC and its Imago Dei Ministry and will endeavor with it to fulfill its mission to the world locally and globally, and to those around me personally. I give all areas of my life over to Jesus as my Lord and Savior.
